WARRANT FOR ANNUAL TOWN MEETING
STATE OF NEW HAMPSHIRE

GRAFTON, ss

TOWN OF BENTON

To the inhabitants of the Town of Benton, N.H. who are qualified to vote in town affairs.

You are hereby notified to meet at the Community building in Benton on Tuesday, March 12, 1985 at 7:00 P.M. to act upon the following subjects:

Article 1: To vote for the following officers:

One Selectman to serve for a term of three years
One Treasurer to serve for a term of one year
One Tax Collector to serve for a term of one year
One Trustee of Trust Fund to serve for a term of three years

And such other town officers as may be required by law.

Article 2: To see if the Town will vote to set the salaries of two selectmen at \$300.00 each, Chairman to receive \$500.00, Tax Collector, Treasurer and Town Clerk to receive \$300.00 each.

Article 3: To see if the Town will vote to make any alterations in the amount of money to be raised and appropriated for the ensuing year for the support of the Town as recommended in the budget, to raise and appropriate all sums so determined for said purposes, and to pass any other vote irrelevant thereto.

Article 4: To see if the Town will vote to accept the reports of officers and agents as printed in the Town report.

Article 5: To see if the Town will vote to authorize the selectmen to borrow funds for current indebtedness in anticipation of taxes collected in Fiscal Year 1985 and to be paid therefrom.

Article 6: To see if the Town will vote to authorize the selectmen to administer or sell any real estate acquired through tax collectors deeds.

Article 7: To see if the Town will vote to authorize a discount on current property taxes paid before a date set by the selectmen, if all previous taxes are paid, and will set the amount of said discount.

Article 8: To transact any other business that may legally come before said meeting.

REPORT OF THE GRAFTON COUNTY COMMISSIONERS

To the Citizens of Grafton County:

Grafton County Commissioners submit the following report in a continued effort to communicate with you on a more direct basis.

The county fiscal year 1985 tax rate to towns increased by 6.7%, mainly due to increased liabilities and mandates for services. One reason is that the child placement budget has escalated from \$40,000 in fiscal year 1982 to over \$250,000 in fiscal year 1985. These costs are a direct result of RSA 169 when towns succeeded in getting laws changed to place financial responsibility on the counties. Also, the settlement, so that once the County has liability, the liability now remains with the County indefinitely. In addition, as experienced by towns and cities, the cost of nursing care has rapidly increased because of reduced federal and state funding, and will continue to increase at the local level with property taxes funding more of these services in the future.

We anticipate some budget relief with the new unified court system as soon as total costs of the court operations are fully funded by the State as intended in the legislation.

Because of the increasing unfunded mandated services and the unknown nature of federal and state participation in those mandated services, it becomes more difficult each year to budget in a realistic manner - a problem shared in common with towns and cities.

We are continuing energy conservation measures, with appreciable cost savings to the taxpayers. Window modification, with a five year pay-back, is one of our long term conservation measures, as well as modification to the heating control system.

Correctional needs and facilities are continually monitored and reviewed to comply with current standards and regulations. Studies have been completed and new construction was not recommended at this time.

In accordance with federal revenue sharing requirements, all county facilities and services are regularly reviewed for compliance with handicapped regulations.

The Commissioners hold regular weekly meetings every Monday and encourage public attendance. Grafton County budget is processed through May and June and the Commissioners welcome input and strongly recommend your attendance at the public hearing normally held in mid-June.

We appreciate your continued interest and support.

REPORT OF THE TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Our first forest fire prevention law was enacted by our State Legislature 90 years ago. This early law set in place a cooperative forest fire prevention and suppression effort between city and town governments and State government. It simply stated that no open fire could be kindled, when the ground is free of snow, without the written permission of the town/city Forest Fire Warden. This law also stated that anyone kindling a fire without written permission shall be liable for the damage caused and subject to a \$1000 fine.

During the past 90 years, this law has worked so well that it has remained unchanged. All open fires when the ground is not covered with snow must be authorized by the local Forest Fire Warden. Persons kindling a fire without a permit when one is required are liable for damages caused, fire suppression costs and subject to a \$1000 fine.

This cooperative fire prevention law has contributed significantly to our nationally recognized annual forest fire loss record.

NORTH COUNTRY COUNCIL ANNUAL REPORT

Calendar year 1984 saw the North Country Council, Inc. observe its twelfth year of successful operation for towns in the North Country. The Council, as a regional, non-profit, public planning agency chartered under NH RSA 36:45, is responsible for providing assistance in local community planning, economic development, solid waste, transportation, and municipal services.

In Benton, we met with the Planning Board to discuss local land use issues, including the need to update their Subdivision Regulations and their enforcement, as well as overall Board responsibilities. The Town is part of the Ammonoosuc Valley Solid Waste District and we're compiling parts of a solid waste plan, including a report on the septage disposal situation in Benton.

In economic development, the Council hosted in the spring two region-wide economic development conferences with over 200 business, industry and government leaders attending. From the conferences, regional strategies were developed to address such issues as highway improvements, air service, regional promotion, mechanisms for regional communication, development funding, and regional job expansion. As an outgrowth of these conferences, the Council is presently coordinating the preparation of a North Country Videotape project, which, when complete, will examine the potential for industry to locate in the North Country. The Videotape will be available to Chambers of Commerce, local development corporations, and municipalities in order to promote their communities to businesses looking to expand or relocate in the North Country.

The Council has provided information and guidance to several towns on federal and state grant and loan programs. This past year saw will over \$2.0 million in community Development Block Grant funds come to the region for such activities as housing rehabilitation, water and sewer system improvements, a downtown revitalization study, an industrial park feasibility study, and business revolving loan funds.

Community planning assistance has emphasized master planning and improvement in local land use controls. New state mandates created busy work loads for planning boards. The Council's assistance takes many forms: regional workshops, newsletters, regulation review and update, and assistance on a regular or one-time basis for subdivision and site plan applications. Subdivision review workshops were held in Littleton, Campton, and Dalton and we co-sponsored the Municipal Law Lecture Series in Twin Mountain.

Overall, the Council's major objective is to work with North Country towns in solving local and regional problems. We rely on and appreciate the involvement of town officials and residents and look forward to assisting your town this coming year.

RECORD OF AFFIRMATIVE VOTES
AT ANNUAL TOWN MEETING 1984
MARCH 13, 1984

Agreeable to the warrant for the Annual Town Meeting, the meeting was called to order by the Moderator, John G. Elliott Jr. on March 13, 1984 at 7:00 P.M. at the Benton Community Building.

Article 1:

Voted:	John G. Elliott	Selectman	Term 3 years
	Marjorie Robitzer	Selectwoman	Term 1 year
	Priscilla Boutin	Treasurer	Term 1 year
	Maxine Tyler	Tax Collector	Term 1 year
	Helena Harris	Town Clerk	Term 1 year
	Daniel Elliott	Moderator	Term 1 year
	Dorothy Elliott	Auditor	Term 1 year
	Albert Boutin	Trustee Of Trust Funds	Term 1 year
	David Harris	Dog Catcher	Term 1 year
	David Harris	Sexton	Term 1 year
	Joseph Boutin Jr.	Surveyor Of Wood & Lumber	Term 1 year

As there is no one in Town Qualified to serve as Constable, it was left up to the Selectmen to check into this and see if they can find someone to fill this position.

Article 2:

Voted to wait on Article 2 which was to see if the state should be requested to take over the responsibility of governing the town and managing its affairs. A motion was made and seconded to bring this Article up again after Article 11.

Article 3:

Voted that this Article for having a reappraisal made of all taxable Real Estate in the Town, to raise and appropriate the sum of \$8,000 for this purpose, to authorize the use of Federal Sharing Funds to defray the expense of such reappraisal, and to take any other action thereon, would not be voted upon at this time. The new Selectmen are going to give the Tax Business a try and see how it goes for this year. This Article would then appear in next years Warrant and have the Town vote on it then.

Article 4:

Voted for the Town to make any alterations in the amount of money to be raised and appropriated for the ensuing year for the support of the Town as recommended in the budget, to raise and appropriate all sums so determined for said purposes and to pass any other vote relating thereto. It was voted that the amount of \$250 would more than cover the cost of cemetery work where last year it was \$350. There was a question as to why election fees have gone up and the reply was there are more elections this year. It was also noted that the amount of \$8,000 which would of been used for reappraisal, was to be deducted from the total appropriations and it would now be \$26,523. It was asked if anyone who handles money in town is insured and it was stated that they are bonded. It was discovered that Benton School Board is not covered by any insurance for Liability or such, except when they are at a school board meeting. It was suggested that someone check and see if there was proper insurance coverage on Town Officials. There was some comment on the rising of the solid waste disposal fee of \$1610 to \$2200. It was also asked why

we have to pay the solid waste fee when we already pay to have our trash removed. It was also asked why we can't have our own dumpster in Town. The reply was that other people besides Benton would be using it more than likely and we would still have to pay the solid waste disposal fee, so we wouldn't be saving any money. A motion was made and seconded to accept first part of this Article with the exception of the last part. This part of the Article (to pass any other vote relating thereto) to be deleted from future warrants.

Article 5:

Voted that the Town will accept the reports of officers and agents as printed in the Town report.

Article 6:

Voted that the Town will authorize the Selectmen to borrow funds for current indebtedness in anticipation of Taxes collected in Fiscal year 1984 and to be paid therefrom.

Article 7:

Voted that the Town will authorize the selectmen to administer or sell any Real Estate acquired through Tax Collectors Deeds.

Article 8:

Voted that the Town will authorize a discount on current property taxes paid before a set date by the selectmen, if all previous taxes are paid, and will set the amount of said discount. A 4% discount was agreed upon for this year. It was also agreed upon to take into consideration not to have this discount next year as it actually hurts the poor people in Town who just don't have the money to pay their tax bill and the people who do have the money are the only ones who can afford to pay up quick and get advantage of the discount.

Article 9:

Voted to see if the Town would use part of the Town Building Fund to improve the lighting in the Town Building. The approximate cost would be \$500. It was discussed and also decided that the actual cost would be less than \$500. The reason for these new lights was questioned and it was explained that they give more light and are cheaper to run. (Flourescent lights)

Article 10:

Voted to put the Benton property tax billing on computer when it becomes available. The school has offered free use of their computer which goes into affect in 1985. Anyone who would be using this computer would be trained in computer use. The use of the computer would be free for awhile and then there will be a fee. Using the computer would save much time on taxes. At one time it was going to cost around \$300, but as of right now it will be free.

Article 11:

Voted to transact any other business which comes before the meeting. There was no other business.

The town then returned to Article 2, which was not accepted. This was to see if the state should be requested to take over the responsibility of governing the Town and managing its affairs. The reason for not accepting this article right now was that most everyone agreed that with the many new officers in Town perhaps the town can straighten out its many problems and therefore not need the governing of the state.

A motion was made and seconded to adjourn the meeting. The meeting was adjoured at 8:30 P.M. New Officers were sworn in at this time.

RECORD OF AFFIRMATIVE VOTES
AT ANNUAL SCHOOL MEETING 1984
MARCH 13, 1984

The meeting was called to order at 8:30 P.M by the Moderator, John G. Elliott Jr. Mr. Elliott read the School Warrant and the following action was taken on the Articles in the School Warrant.

Article 1:

Voted John G. Elliott Jr. for the office of Moderator for the coming year. The motion was seconded.

Article 2:

Voted Helena Harris for the Office of Clerk for the coming year. The motion was seconded.

Article 3:

Voted Peter Thompson as a member of the school board for a term of three years. The motion was seconded.

Article 4:

Voted Maxine Tyler as Treasurer for the coming year. The motion was seconded.

Article 5:

Voted to accept article 5 as written, which was to determine and appoint the salaries of the School Board and Truant officer and fix the compensation of other officers or agents of the District.

Article 6:

Voted to accept Article 6 as written, which was to hear reports of agents, committees, or officers chosen and pass any vote relating thereto. The only report heard was from the committee of Harold Noyes, Mrs. Janet Cadreact and Scott Roden pertaining to the cost of having a small school in Benton. This was checked into and in the long run it would not be a wise choice for the Town to do such. The Bath and Piermont schools were checked into and it would be cheaper for them to send the children to the Woodsville School. It would also cost as much for busing, as the high school kids would have to have a bus come get them and take them to the high school in Woodsville.

Article 7:

Voted Laurier Elliott as Auditor for the coming year. The motion was seconded.

Article 8:

There were various comments on this lengthy Article. It was asked why special education tuition has risen so sharply from \$7,021 to \$13,000 and the reply was that it has never requested more money in all the previous years. It was explained that Benton has never qualified before as this money is given by the State to Towns on the most needy list. There was also a question as to what the contingency is for. (It is for \$3,600). It was explained that this fund is for in case Warren students, for example, need to be bussed into the Haverhill area for one reason or another. The proposed budget of \$118,798.07 for the ensuing school year was accepted.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

I herewith submit my twentieth annual report to the voters of the Benton School District:

Last year the Benton School District received Foundation Aid for the first time in many years. We have included this figure in next year's budget, but since this is a legislative year, we never know what will happen in Concord.

Already a new finance scheme called the Augenblick School Financial Plan has emerged; and from all indications, stands a fairly good chance of passage. If this plan did successfully pass both the House and Senate, and were fully funded, Benton would see an estimated decrease of \$14.79 in its tax rate per thousand. These are only estimates and politics being the art that is is, I wouldn't spend my money saved.

The tuition figure is only an estimate and a firm figure should be available prior to March meeting. A tuition analysis of the Benton School District is as follows:

Kindergarten	4 @ \$1,000.00 = \$ 4,000.00
Elementary	19 @ \$2,000.00 = 38,000.00
Junior High	6 @ \$2,350.00 = 14,100.00
Senior High	13 @ \$3,000.00 = 39,000.00
	<u>\$95,100.00</u>

Special Education continues to be expensive to Benton as it is with most of the school districts everywhere. It is our belief that any monies spent in this area are well spent and will bear dividends in the future.

The following tuition comparative chart is presented for voter information:

	<u>Junior High</u>	<u>Senior High</u>
Plymouth		3,102.48
Orford		3,000.00
Hanover	4,078.00	4,034.00
Oxbow	3,450.00	3,450.00
Haverhill	2,350.00	3,000.00

May I take this opportunity to thank the staff, school board and voters for their wonderful support during the past year.

Respectfully submitted,
Norman H Mullen
Superintendent of Schools

SCHOOL ADMINISTRATIVE UNIT #23

REPORT OF SUPERINTENDENT'S AND ASSISTANT SUPERINTENDENT'S SALARY

Section 5, Chapter 243, Laws of 1953 of the State of New Hampshire requires that school district annual reports show the total amount paid to the superintendent and assistant superintendent.

One-half of the School Administrative Unit expense is prorated among the several school districts of the Unit on the basis of adjusted valuation. One-half is prorated on the basis of average daily membership in the schools for the previous school year ending June 30. The Superintendent of S.A.U. #23 during the 1984-1985 school year will receive a salary of \$47,383.00 prorated among the several school districts. The Assistant Superintendent will receive a salary of \$36,865.00 prorated among the several school districts.

The table below shows the proration of salaries to each school district:

	Superintendent's Salary
Bath	\$ 2,492.35
Benton	516.47
Haverhill Cooperative	19,943.50
Lincoln-Woodstock Cooperative	16,494.02
Monroe	3,013.56
Piermont	2,606.07
Warren	<u>2,317.03</u>
	\$47,383.00
	Assistant Superintendent's Salary
